E CADETS— HERE WE COME!! We are very proud to announce that we have become an eCadet school. The eCadets is an award winning programme which trains, empowers and supports a team of pupils to keep their friends safe online. The programme is run by a team of former police officers and there is also the opportunity for every other child at the school to benefit and get involved through Bubble – the 100% safe social platform which is run and moderated by eCadets HQ and enables children to safely engage with children the same year group age as themselves in complete safety.
