### Breakfast and After school club

We hope that you find the service our breakfast and after school clubs offer beneficial, to ensure we can financially sustain these clubs we require at least **1 days notice** if you need your child to remain in After School Club after 5pm, our staff are only contracted until 5pm, and although incredibly flexible do require notice if they need to stay later.

If you have comments or suggestions about our extended services please do not hesitate to contact Mrs Balmer or myself.

### Teacher training day

School will be closed on **Monday 3<sup>rd</sup> February** for our final teacher training day of this academic year.

### Bad weather and contact numbers

Weather reports appear to indicate that snow is on its way shortly. We will do all we can to remain open in the bad weather, we remained open last year and aim to repeat this again. We will text parents as soon as possible of any school closures and post messages on the school website

[www.shottonhallprimary.co.uk](http://www.shottonhallprimary.co.uk) to keep you updated.

We will also notify the local authority, who post information on their website too.

If you have changed your mobile phone number please let us know to ensure you receive our texts.

### Non smoking site

The whole of this site, both inside and out, from the gates at Waveney Road through to the opposite side of the Academy is a no smoking site. Please do not put the health of our children at risk and smoke on this site. Anyone found to be smoking on the site will be asked to leave.

### Building work on site

Building work has started again on the Academy playing fields on the opposite site of our drive to solve the drainage and flooding issues. If you have cause to drive up the school drive please drive with extreme caution as trucks and diggers are moving around throughout the day. We have been told this will continue until early February.
