Dear Parents and Carers,

As we work to serve our community in these challenging times I would like to offer my thanks to all parents and carers who have supported us in the last few weeks. We are in unprecedented times and are following government guidance as best we can bearing in mind the make up of our community.

Our first priority is your children and we are working to ensure they are safe and well cared for. Many of them are anxious about the changes and we are working hard to reassure them all will be well. Please be careful about what you say in front of your children as they do pick up on your worries.

We are also concerned that we must have a current contact number for you so we can communicate with you. Our communication will be by letter, e mail or text and through the facebook page and website.

Our emergency provision begins next week and we expect it to be a changing picture over time. Our team is ready and instructed and those of you bringing pupils to school we assure you they will be well looked after. Of course we are on stand by incase any of our staff become ill.

We urge you to keep your child away from our emergency provision if they have a cough or a high temperature. Please continue to read the government guidance and contact 111 if you need further advice.

Many thanks - Mrs Anita Boyd, Headteacher
