45 is one more than 44

50 is one more than **49**

Yr2

The odd one out

2,4,6,8,**9**,10,12

0,**5**,10,20,30,40

35,30,25,20,**12**,10

Challenge

Will they say any of the same numbers?

Yes they will both say 10 and 20.

What do you notice about your answer?

The numbers that are the same are the tens.

English

Sentence structure. Were you right?

The little boy likes to draw pictures and paint. **Or** The little boy likes to paint pictures and draw.

The children play in the garden on a sunny day.

I enjoyed my dinner because I had chicken nuggets.

Ask a grown up to mark your work and save it to bring back to school.

Foundations Subject – Art

‘Who was Joan Miro?’

Answers

Here is some of my research. You might have found out some different facts to me!

Who was he?

He was a Spanish artist

When and where was he born?

Barcelona, Spain in 1893

Which styles of painting did he explore?

Magic realist style and surrealism

In the beginning he painted in a **magical realist style** meaning his paintings were realistic. He later began exploring **Surrealism**. This meant his paintings were less realistic and might not look exactly like they do in real life.
