

Maths

Can you solve these place value problems?

Whitney thinks the place value grid is showing the number eight.

Hundreds	Tens	Ones

Do you agree? Explain why.

Using all of the counters, what is the smallest number you can make?

What other numbers could you make?

True or False?

Explain your answer.

English

We are going to start digitally reading a new book called 'The Colour of Home'

What do you think this story will be about?

Draw a front cover for this book based on your ideas.

Foundations Subject – Art

'Who were the impressionists?'

We will begin to look at some impressionist artists.

- Who are they?
- What type of art did they create?
- When and where did they live and work?
