I have uploaded the story 'The Colour of Home' read this story and draw a story map to show the main events.

As a grown up to mark your work. I hope you included the main events of the story, including Hassan's starting a new school; him painting a picture; him being sad thinking about his picture; Hassan speaking to Fela the next day; Hassan telling his story about his journey from Somalia and some of those details (the fire and the boat etc); Hassan playing outside at playtime; him painting a new picture; taking the picture home and asking his family if they can get a cat.

Foundations Subject – Art

Here are two famous impressionist paintings

Woman with an Umbrella
by Claude Monet

The Little Country Maid
by Camille Pissaro

What do you notice about these pictures?

What is the same what is different?

There is a table on a worksheet for you to complete. If possible, print this out, if not you can draw your own table.

Ask a grown up to mark your work. I hope you talked about the colours the artists used, that both the pictures are ladies, but one looks rich and one looks like a servant. Did you talk about the media used to create the pictures?
