Maths

Round the distances to the nearest 1,000 miles.

Destination	Miles from Manchester airport	Miles to the nearest 1,000
New York	3,334	
Sydney	10,562	
Hong Kong	5,979	
New Zealand	11,550	

A)

Complete the table.

Rounded to the nearest 100	Start Number	Rounded to the nearest 1,000
	15,999	
	28,632	
	55,555	

B)

Eva has the following number.

| Thousands			Ones		
H	T	O	H	T	O
	●●● ●●●	●●●● ●●●● ●	●●● ●●●	●● ●●	● ●

She adds 4 counters to the hundreds column.

C) What is her new number?

Problem Solving

Here is a number line.

```
        A
        ↓
├─┼─┼─┼─┼─┼─┼─┼─┼─┼─┼→
2000        ↑    3000
            B
```

What is the value of A?

B is 40 less than A.
What is the value of B?

C is 500 less than B.
Add C to the number line.

Mastery

Rosie counts forwards and backwards in 10s from 317

Circle the numbers Rosie will count.

427	997	−7
1,666	3,210	5,627
−23	7	−3

Explain why Rosie will not say the other numbers.

English

We are starting a new unit of work- mystery/scary stories

Watch this clip on You Tube: Alma https://www.youtube.com/watch?v=irbFBgI0jhM

Use the mind map created in the lesson yesterday to develop your ideas into sentences describing the outside appearance of the shop. Write a short paragraph describing what Alma saw when she came across it.

Foundations Subject – Science

Some plants use sexual reproduction to make new plants, while other plants use asexual reproduction. Complete some research and fill in the diagram with the statements to show the advantages and disadvantages of each type of reproduction.

This website may help you: https://www.bbc.co.uk/bitesize/topics/zgssgk7/articles/zyv3jty

	Advantages	Disadvantages
Sexual Reproduction		
Asexual Reproduction
