Successful, Happy, Inspired and Nurtured towards Excellence

Story starter!

Lucy had only planted the seed minutes earlier. Now, it was growing in front of her eyes! The earth began to tremble as the sunflower grew thicker and thicker, taller and taller.

With no sign of stopping, the plant seemed to be reaching up towards the sun. She held on tightly, not daring to wonder where she might be swept off to...

Can you describe what happens to Lucy next? Where does she go? What does she see?

Check you have included all your targets in your writing. Draw a picture to show the place you have imagined in your story.
