Monday 20th April

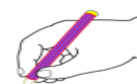

Good Morning Boys and Girls!

What day of the week is it today?

Sing our 'Days of the week song' as in this link: <https://www.youtube.com/watch?v=Oiisv7EhG98>

What is the weather like today?

Can you draw a picture to match the weather? Remember your 'Froggy Fingers'

Today's rhyme (using fingers to match number)

5 little speckled frogs, sat on a speckled log

Eating some most delicious bugs

Yum, yum!

One jumped into the pool

Where he was nice and cool

Now there are four green speckled frogs

Glug, glug.

(then) 4 little speckled frogs...

3 little speckled frogs...

2 little speckled frogs...

1 little speckled frog.

Now is the time of year that we see a lot of frog spawn in ponds. If you manage to get out and about to a pond, see if you can spot some! Watch the video below to learn about the life cycle of a frog:

Can you try to write the numbers 1-5 on paper following the directions of the dot and the red arrows?

Remember your 'Froggy Fingers'

Challenge!

Can you write the numbers 6-10?
