Good Morning Boys and Girls!

What day of the week is it today?

Sing our 'Days of the week song' as in last week's link:

What is the weather like today? Can you remember what season it is from your learning last week? https://www.youtube.com/watch?v=Qhv29_M-P5Q (Hope the video makes you smile too!!)

Today's rhyme: (words appear on the link. Remember to use fingers to match the number of birds and for actions e.g. straight arm for the tree branch and hand across eyes to 'see' etc)

1 Bird Sitting In A Tree:

Here's a lovely little film I thought you would enjoy all about eggs!

Challenge!

* Ask a grown up to draw a simple large feather shape on some A4

paper or card, cut it out, then draw 1 line up the centre plus the lines across **both** halves of it. It should start to look a little like the second picture...

* Your turn! Practise your 'careful cutting' to snip slowly along the lines to nearly at the centre. Remember not to cut all the way across the centre of the feather or it will break into 2 pieces.

'Careful cutting' can be tricky at first and takes lots of practise to cut on the lines. Try saying "Open and snip" as you cut, as we would in class. Maybe try a second feather? I would love you to share and to see how your cutting looks?

Storytime

Read and share the story “Six Little Chicks” read aloud by its author Jez Alborough. Hope you enjoy!

Like our stories and songs last week, there are lots of rhyming words in this story - I wonder if you spotted them too?

Can you see and then name chick? Maybe your grownup and decorate one too so you your very own little chick!

Or perhaps you can make playdough?

the 2D shapes on this little is able to help you cut out could retell the story using

your own little chick using

ENJOY!
