Maths

I hope you enjoyed all the practical ways to count forwards and backwards in twos!

English

To start this session, play the following 2 games. One is about full stops, the other is about capital letters.

<https://www.roythezebra.com/reading-games/full-stop-1.html>

<https://www.roythezebra.com/reading-games/capital-letter-1.html>

Today we will be focusing on capital letters and full stops. Under our resources section you will find two worksheets for you to use at home. Start with 'worksheet 1' to warm up and then try 'worksheet 2'. If you don't have a printer at home, you can write your answers onto a piece of paper instead.

For an extra challenge, why not create your own sentences using full stops and capital letters. How many can you think of?

Foundation Subject – Geography

To warm up for today's session, watch the following video on Youtube.

https://www.youtube.com/watch?v=f2l81_BFb-s

Today we will be focusing on the points on a compass. To start, try putting North, South, East and West correctly on a compass using the following game.

http://resources.hwb.wales.gov.uk/VTC/compass_bearings/eng/Onlineactivity/default.htm

Next, you will be making your own compass using the worksheet you will find in our resources section. Follow the instructions carefully, have fun! If you don't have a printer at home, you can make your own using the worksheet as a rough guide.

Answers

Share your work with your adult to decide if you placed the points on your compass correctly. A good way to remember the points on the compass is to remember Never (North), Eat (East), Slimy (South), Worms (West) or Naughty (North), Elephants (East), Squirt (South), Water (West). It really does make it easier!
