

Yr 2, 15.05.20 answers

Maths

1.

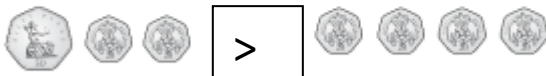

Dora has the most because she has 64 pounds. £64.

Teddy has the least because he has 64p

Pounds have more value than pence. 100 pennies = £1

2.

Use $<$, $>$ or $=$ to compare the amounts.

Problem Solving

Only true when
5 p is the silver
coin.

Children should
explore different
true and false
answers.

English

What type of character is Mr Fox? Can you write some sentences to describe him? Here are some of mine! I actually think he's a nice character but you might not think so.

Mr Fox is kind and caring because he cares for his family. He is clever and cunning because he can trick the farmers and steal the food.

Foundation Subject – RE

Take a close look at the shrine you have drawn. Have you included the following?
