Working together to

SHINE

Successful, Happy, Inspired and Nurtured towards Excellence

Hi Class 5. Here are your learning activities for Monday. Have you watched my reading of Dr. Xargle's book of Earthlets? It's not really a typical story, as it is written as if it is giving us information about 'Earthlets' but it gets so many things wrong that it makes me laugh. Have you worked out what Earthlets are? Do you know what Dr. Xargle's job is?

Enjoy your day,
Miss Elwick

Maths

Complete the problems saved on the separate maths document.

You can print the sheet out if you have access to a printer, or you could just write the answers on paper, or in your maths homework book. The answers will be uploaded on Wednesday.

English

Listen to the story of Dr. Xargle's Book of Earthlets on my youtube clip, or you can read it yourself on the scanned document I have uploaded.

Can you draw and describe Dr. Xargle? Who is he? What do you know about him? Can you use expanded noun phrases (eg. long, ginger hair) to describe how he looks?

Topic work – Art

Look at the picture 'Figure, Dog, Birds' by Joan Miro (a copy is included in the topic document). Can you create a portrait of your own family inspired by the figure and dog from Miro's picture? I have included some instructions and pictures to help you. Have fun, and remember – this style of artwork is not about drawing realistic pictures.
