Working together to

SHINE

Successful, Happy, Inspired and Nurtured towards Excellence

Friday 15th May

Maths

Roll a 1 to 6 die.

Fill in a box each time you roll.

$$\square\square\square + \square\square\square =$$

Can you make the total:

- An odd number
- An even number
- A multiple of 5
- The greatest possible number
- The smallest possible number

English – Spellings

I have uploaded a PowerPoint 'Homophones and Near Homophones' and a matching pairs game which asks you to match the homophone with the description. If you can print this off to play with someone you can, otherwise you can write the question with the correct homophone as the answer.

Foundations Subject – PSHE

It is very important while we are all at home to look after your family, being kind and helpful.

Today's challenge is to how many kind and helpful things you can do over the weekend?

You might help make tea, play with your younger brothers or sisters, make someone a card or picture, phone your grandparents, tidy your bedroom or help look after your pets.

Make a list of all the helpful things you have done!
