

Friday 15th May - Answers

Maths

Roll a 1 to 6 die.

Fill in a box each time you roll.

$$\square\square\square + \square\square\square =$$

Can you make the total:

- An odd number
- An even number
- A multiple of 5
- The greatest possible number
- The smallest possible number

Answers

You could have lots of different answers!

English – Spellings

I have uploaded a PowerPoint 'Homophones and Near Homophones' and a matching pairs game which asks you to match the homophone with the description. If you can print this off to play with someone you can, otherwise you can write the question with the correct homophone as the answer.

Answers

Where are you right now? – here

What do you do with your ears? – hear

What would you tie in a rope to secure it? – knot

Which word means you won't do something? - not

Foundations Subject – PSHE

It is very important while we are all at home to look after your family, being kind and helpful.

Today's challenge is to how many kind and helpful things you can do over the weekend?

You might help make tea, play with your younger brothers or sisters, make someone a card or picture, phone your grandparents, tidy your bedroom or help look after your pets.

Make a list of all the helpful things you have done!

Answers

I hope you were all very helpful! Keep it up!! You could also ask your grown up to share some photos on the school facebook site, of you being helpful this week!
