Maths

Watch the video of Mrs Egglestone as a reminder of how to do column addition and subtraction then complete these calculations.

$62 + 5 =$

$97 - 3 =$

$78 + 5 =$

$81 - 5 =$

$124 + 6 =$

$172 - 6 =$

$132 + 18 =$

$223 - 31 =$

$267 + 41 =$

$321 - 41 =$

Answers

I have uploaded a picture of my column addition and subtraction calculations and working out.

English

What makes a good diary entry?

We are going to begin planning a diary entry for Hassan's first two days at school. Think about other diary entries we have written and what the features are. Can you create your own 'targets for success' for a diary entry?

I have uploaded a copy of the targets for success form we use in class and I have started this off for you. As usual it can be printed, or you can write it yourself.

Answers

I have uploaded my targets for success, but you might have some different ideas to me.

Foundations Subject – Music

Watch and follow the video from the Government's National Oak Academy online school which is all about following the pulse in music.

Answers

I hope you enjoyed singing along and learning music from a different teacher!
