Year Four answers 22/5/20

Maths

I hope you enjoyed playing some of the games to practise your times tables!

How did you do on the times tables test? – Well done if you got them all correct! If you didn't then don't worry but please keep practising and maybe ask your grown up to give you another test.

I will put another times table test on soon!

English

Make nouns from these verbs, using the suffix -ation. Remember you may have to follow some spelling rules.

Rule 1: When a word ends in a 'y', change to 'i' before the suffix -ation is added.

Rule 2: The silent 'e' at the end of a root word is dropped before adding -ation.

Rule 3: If the root word ends in 'ate', drop the 'ate' when -ation is added.

Verb	Noun
a) to multiply	multiplication
b) to medicate	medication
c) to educate	education
d) to inform	information

I found these words: aggravation, beautification, cancellation, declaration, elevation, frustration, generation, hibernation, illustration, justification, liberation, migration, notation, observation, pollution, quotation, realisation, simplification, transformation, underestimation, vaccination.

I couldn't think of any for K, W, X Y or Z! Did you find any?!
