

Features of the UK

We have already found out about some features or landmarks of the UK. Can you remember any?

Some features are human (they are made by people) and some are physical (they are made naturally).

Have a look at these photographs of some features of the UK. Decide if they are **human** or **physical** features.

1. Big Ben

2. The Angel of the North

3. Lake Windermere

4. Wembley Stadium

5. Ben Nevis

The highest mountain in the UK

6. The Forest of Dean

7. Clifton Suspension Bridge

8. The River Severn

The longest river in the UK
