Successful, Happy, Inspired and Nurtured towards Excellence

Monday 1st June

Good Morning Boys and Girls! Hope you're all well?

What day of the week is it today? Sing our 'Days of the week song'

What is the weather like today? What season is it still?

Our learning topic this term is 'Where shall we go today?' Whilst enjoying songs, rhymes or stories we have already found out about Spring weather along with baby animals, farm animals then food. Now, we are going to go on some more adventures with our preschool learning...

Today's Song:

Where Are We Going?

Listen to our new song and join in:

Where would you like to go next from the song and how would you travel there or who might you take?

Maths:

Car Colour Survey

Make a tally chart to show the different car colours you see driving past.

| Colour | Tally | Total |
|--|---|-------|
| Red  |  | |
| Blue  |  | |
| Green  |  | |
| Yellow  |  | |
| Black  |  | |
| White  |  | |

- Make up a simple 'tally chart' similar to this so that within a given time, your child can mark in their own 'tally' into the boxes when they spot a particular car colour. This could be whilst they drive past the window or maybe sit down whilst out for a walk.

- Next, support your child to carefully count their tallies and write into the 'Total' boxes. Remember good number formation from the diagram underneath and 'Froggy Fingers.'

0 1 2 3 4 5

6 7 8 9 10

Art:

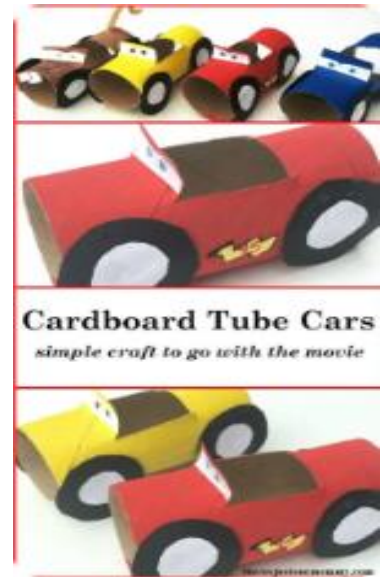

Collect an empty egg box, kitchen roll/toilet roll tube and bottle top wheels then ask a

grown up to use sharp scissors to cut out and fold back a piece from the tube for the driver and windscreen.

Decorate and paint your vehicle ready to travel to our next adventure.

It could be a car or a bus or a train. You might even be able to sit one of your toy figures into it too, then take it for a drive!

Maybe you may like to look from high above in a helicopter or across the sea in a boat?

Don't forget to show Mrs Caden & Mrs Smith what you've enjoyed making or writing or doing the most !
