

## Shotton Hall Primary School

Working together to

**SHINE**

**Successful, Happy, Inspired and Nurtured towards Excellence**

**Friday 20th May**

Good Morning Boys and Girls! Hope you're enjoying our learning this week?

What day of the week is it today? Sing our 'Days of the week song'

What is the weather like today? Can you draw a picture to match this?

Remember to always write your name on your work.

### Music:

Its Rockin Rhythms Friday and Mrs Sellers is back again as Mrs Caden loves her 'Boom Snack Clap' song for you to listen carefully and take part in! Hope you like it too...

<https://www.youtube.com/watch?v=VeDKWhUApRk&t=66s>

### Science

#### Frozen eggs:

- Fill up some balloons and pop them in the freezer (don't over fill!).
- To add a bit of interest put something inside the balloon before you fill it with water e.g., a penny, a sweet, a small animal toy.
- Once frozen remove the balloon so an egg shaped block of ice remains.
- Allow your child time to experiment with the ice. Explain that their aim is to melt the 'egg' and free whatever item is inside. Provide your child with a little bit of salt, some water and an old tooth brush to help them melt the 'egg'.

## Art

### Create your own hand print chicken:

- This is another great sensory activity.
- Allow your child to paint their own hand to print onto paper.
- Discuss how it feels as your child covers their hand in paint.
- Don't forget to count each finger as they paint it! Then create the rest of the chicken. Have fun painting!

## Dough Disco

Have some fun at the dough disco and fantastic fine motor skills which aid pencil grip and cutting! Only a small ball of playdough in the palm of your hand is needed. Any music with a good beat is good but preschool class previously liked: (played through twice will be sufficient time) [https://www.youtube.com/watch?v=XejVB\\_fba04](https://www.youtube.com/watch?v=XejVB_fba04) OR <https://www.youtube.com/watch?v=FYOZBE41yhQ>

First, here's an idea of what it is. She may seem a little o.t.t. but the children love it. It's not quite our own class version but your child will probably show you how we like to do it. They may even want to pretend that they're the teacher and that you will be in their class!

<https://www.youtube.com/watch?v=i-lfzeG1aC4>

## Storytime

Read, share and enjoy the story "Out of the egg" read by its author Tina Matthews:

<https://www.youtube.com/watch?v=REDglVsdRfY>

Remember Mrs Suter's Storytime too! Its's "Trouble With Tadpoles" today...

**Don't forget to show Mrs Caden & Mrs Smith see what you've enjoyed doing the most this week!**
