

Maths – answers

1. 108
2. 710
3. 905
4. 5.6
5. 7467
6. 708
7. 2.56
8. 63
9. $\frac{3}{5}$ or $\frac{6}{10}$
10. 126
11. 73
12. 8.093
13. 7010
14. $\frac{7}{8}$
15. 21,000
16. 89,014
17. 120
18. 1.78
19. 410
20. 6.205
21. 112
22. 665r3
23. 8.75
24. 1568
25. $\frac{3}{40}$
26. 301
27. 60
28. 224,574
29. 139,095
30. 86

English –

Activity 1:

- a) Moved
- b) Kicked
- c) Is
- d) Climb
- e) Are

Activity 2:

- a) Read
- b) Played
- c) Painted
- d) Combed

Activity 3:

Here are some examples that I found:

The boy swung from bar to bar.

The girl was playing on the slide.

There was a girl sitting in the tree.

Yours may have been different and that's ok as long as you underlined your verb. Get a grown up to check your sentences and check that you underlined the 'verb'

Foundations Subject – History

The answers for this will have ranged depending on your findings and research. As long as the key events about the history of Peterlee have been ordered chronologically on your timeline then that is great! 😊
