**English** – today I would like to consolidate our understanding on verbs. Try your best at these tasks. Please remember if you're unsure of any of the words I am using to double check their meanings in your revision guide.

*Action verb: tells what the subject of the sentence is doing (jumped, walking, drinking)*

*Linking verb: connect the subject to a noun or adjective (am, is, are, was, were)*

**Activity 1:** write down the linking verb in one colour and the action verb in another colour.

- a) Cole moved the washing machine into the house.
- b) The goat kicked the barn door.
- c) Miranda is my best friend
- d) Hurry! Climb over the wall!
- e) Are you my new teacher?

**Activity 2:** These sentences are in the present tense. Underline the verb in the sentence and copy these sentences and rewrite them in the past tense. For example:

Peter is drying his face.      Peter dried his face.

- a) Sonya is reading a comic.
- b) Joshua is playing his guitar.
- c) Natalie is painting a picture.
- d) Sarah is combing her hair.

**Activity 3:** write as many sentences as you can from the image demonstrating a different verb and then underline the verb in your sentence.

**Verb challenge:** using any text at home: a book or a magazine and find 3 sentences where you can identify a verb being used. Write them down and underline the verb.

## Foundations Subject – History

In History, I have asked you to start thinking about Peterlee's history and Mrs Hext asked you to sketch what a typical house in Peterlee might have looked like.

This week I want you to focus on the history of Peterlee using a timeline. The events must be ordered 'chronologically'.

I would like you to create a timeline to show how Peterlee has evolved over the years labelling your main findings with the year they were established. In your research I would like you to be as specific as you can be with regards to when things happened for example: 'In Peterlee, \_\_\_\_\_ was established in 1967.' You could also draw a picture to show this.

Peterlee was founded as a result of \_\_\_\_\_ in 1948.
