### Maths-Money

Today you will need to ask a grown up for the following coins to help you organise them into pounds and pence.

- Organise the coins on your table into pence and pounds.  
Can you name each coin?

- Write down the value of each coin.

- Match the cards with equal values.

## Reasoning

Dora says:

All coins are round.

Do you agree with Dora?

Justify your answer.

---

Which is the odd one out?

20 p

8 p

2 p

10 p

Why?

## English

Can you find the adjectives I have used in my recount? Remember they are describing words.

Can you find the time connectives I've used in my recount? I'll give you a clue 'First'

### A walk to the dene

Yesterday was a lovely sunny day. I asked my mam if we could go for a walk through the dene to collect some leaves and she said yes! First we had a delicious fried breakfast and after that we set off on our walk. We took drinks with us and some delicious snacks too. On the way we tip-toed across the bridge and pretended there was a troll sitting underneath it. We were enjoying ourselves so much. Later on that day we collected lots of leaves then we decided to race back home. Eventually we reached the house. I was so tired that I fell asleep on the couch with my clothes on. It had been a wonderful day.

## Foundation Subject – Art

### Earth Art

Today you will be making a collage using natural materials, similar to this one.

- 

1

Start by drawing a rough outline of your scene.
- 

2

Paint glue onto your page and stick leaves down to make grass.
- 

3

Apply plenty of glue and stick conker shells down to make rocks.
- 

4

Cut some leaves and glue them in a tree shape.
- 

5

Use some beads and sequins to make the flowers.
- 

6

Add some extra leaves to the tree for extra detail.

First watch the power point 'Earth Art Wednesday' in the supporting documents. Use some of the leaves, flowers and grass you collected on Monday and be as creative as possible! Your collage will be amazing!
