Working together to

SHINE

Successful, Happy, Inspired and Nurtured towards Excellence

Friday 26th June

Maths – Time – Reasoning and Mastery

Q1

This clock has lost its hour hand.
What time could it be?

Q2

This clock has lost its minute hand.
What time could it be?

Q1 - The minute hand is at about 12 minutes to the hour. The time could be 12 minutes to any hour.

Q2 - The hour hand is past the 3 but has not yet reached the 4. The hand is closer to the three. The time has not passed half past 3 so the answer could be anytime between quarter past to half past 3.

English - The Lost Happy Endings

We are now going to write our stories with an unhappy ending. This will also be Monday's task so that you have longer to produce a really good piece of writing.

I have uploaded some targets for success, look at the plan you wrote and edit it to make sure you have included all of the targets.

After you have edited your work use this plan to write a story with an unhappy ending.

Answer – Keep hold of your writing and continue this on Monday.

Foundations Subject – RE – Hindu Symbols and Meanings

Look through the powerpoint about Hindu symbols and their meanings. There is a work

sheet with pictures of some of these symbols. Next to each picture write in the meaning.

The answer sheet has been uploaded.
