Monday 22nd June

Maths – Time

Q1

The clock shows ten minutes to 3

Dora

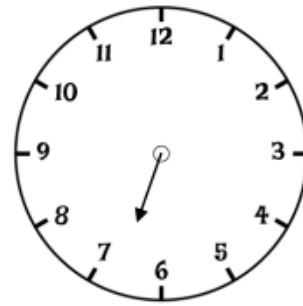

The hour hand is not quite pointing to the 3, so it must be ten to 2

Amir

Who do you agree with?
Explain your thinking.

Q2

This clock has lost its minute hand.

What time could it be?
Justify your answer.

English - The Lost Happy Endings

Look at the ideas and plan you started on Friday. Who are the characters in your story? Choose one of the characters and draw a picture of them. Around your picture write some adjectives to describe the character.

Foundations Subject - Science

Today we are going to find out about the important role bees play in the production of our food.

Watch these clips:

<https://www.bbc.co.uk/newsround/44222859>

<https://www.youtube.com/watch?v=6CxCTyxRFh0>

Have a look at this website.

<https://www.bumblebeeconservation.org/bumble-kids/>

Can you design a poster with information about why bees are important and how we can protect bees? You might want to include information about the kinds of plants that bees love. If you have a garden you might investigate ways you can make it more friendly for bees.

Challenge: How many bees can you spot in your garden, or on a walk to a park? Look at the flowering plants and you will see them. Remember, bees are our friends. The more we see, the better!
