

Wednesday 17th June

Maths - Reasoning and Mastery – Time

Q1

Mo

I get up at 7 o'clock in the morning and go to bed at 7 o'clock at night. This means I have been awake for a full day.

Do you agree with Mo?
Explain your answer.

Q2

Su	Mo	Tu	We	Th	Fr	Sa
	1	2	3	4	5	6
7	8	9	10	11	12	13
14	15	16	17	18	19	20
21	22	23	24	25	26	27
28	29	30	31			

In this month, there are no school holidays.

In this month we have to come to school for 31 days.

Teddy

Do you agree with Teddy?
Explain your thinking.
Which month could it be?

Answers

Q1 – I do not agree with Mo. There are 24 hours in a full day. Mo has only been up for 12 hours which is half a day. A full day would be 7am to 7am.

Q2 - Teddy is not correct, as we only have to come to school for 23 days if there are no holidays, we do not come to school on a Saturday or Sunday. It is most likely to be March if there are no holidays at all.

English - The Lost Happy Endings

For the next few tasks, we are going to write an alternative ending to a fairy tale or story. Look back at ideas you had yesterday choose one of these.

Today we are going to think about the original story. Use the template I have uploaded and write in the main points of the original story. In Friday's task we will add to this plan with the alternative ending. I have also uploaded an example plan for you to look at.

Answers

Well done! You will need to keep hold of your plan to add to on Friday. Ask a grown up to check your work for you.

Foundations Subject - Geography Rivers

Rivers are used by different people for different reasons. Write down a reason why each of these people would use the River Tees.

- Fishermen – for leisure, some catch fish to eat #
- Factory Owners – for transporting goods, powering machinery
- Power generation companies – use the energy in water to generate power (hydroelectricity)
- Tourists - days out, walks around nature spots, waterfalls (high fell, low fell)
- Water sport groups – water sports sailing, rowing, surfing, canoes etc.

Answers are above in red
