Wednesday 24th June

Maths – Time

In today's video, I will explain about telling time to the minute.

 Draw the hands on the clock from the following times.

Four minutes to 4

24 minutes to 8

24 minutes past 8

English - The Lost Happy Endings

Look at the plan you wrote on Friday. We are going to plan our unhappy ending in more detail using a 5 part story plan. Think about which part of your version is the beginning, build up, problem, resolution and the ending. As we are writing an unhappy ending, during the resolution section things will go badly wrong.

Foundations Subject - Science

Today we are going to investigate the journey of a river.

Watch this BBC Bitesize video

<https://www.bbc.co.uk/bitesize/topics/z849q6f/articles/z7w8pg8>

I have uploaded a diagram with labels showing the different parts of a river. Look at this diagram and use it to label the blank diagram. If you can't print the blank diagram you could draw your own.
