

Shotton Hall Primary School

Working together to

SHINE

Successful, Happy, Inspired and Nurtured towards Excellence

Wednesday 3rd June

Good Morning Boys and Girls! Hope you're enjoying our learning this week?

What day of the week is it today? Sing our 'Days of the week song'

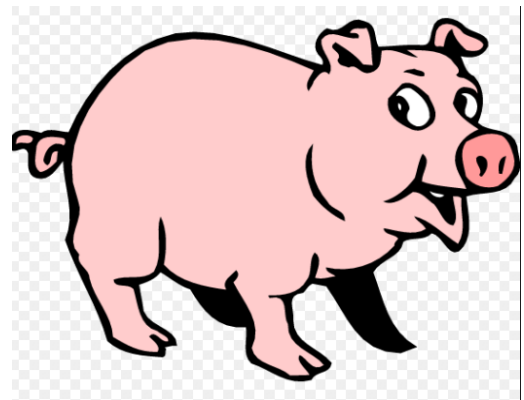

What is the weather like today? Can you draw a picture to match this?

Remember to always write your name on your work.

Phonics :

oral blending and segmenting

- Show your child the images underneath. Choose one and carefully **sound** out the word e.g., "s – u – n" rather than spelling it (as this comes much later).
- Can your child point to the correct picture?
- Now challenge your child to sound one of the pictures out for you to guess.

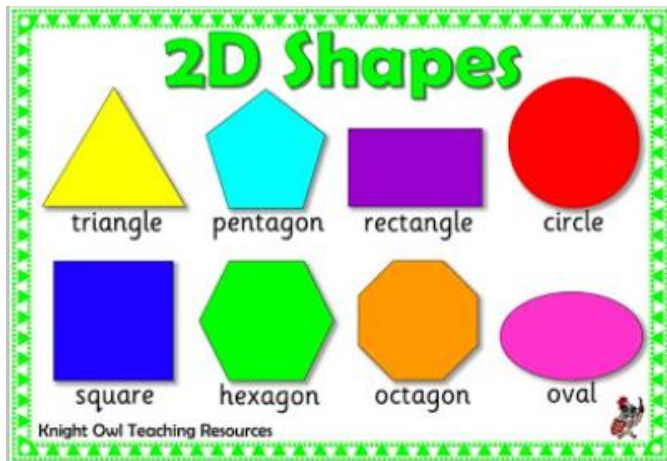

Maths:

2D shapes

This song was really popular to join in to in preschool class whilst we learnt about 2D (flat) shapes!

<https://www.youtube.com/watch?v=OEBRDtCAFdU>

Go on a shape hunt whilst out for a walk. Looking in particular in the garden or at road signs, buildings etc.

Have a try at drawing your own triangle, square, rectangle, circle and oval using chalks on the pavement or path.

Remember curved edges or straight sides.

Can you draw a combination of shapes to make a house with a roof and windows & doors or a flower with a circle centre and oval petals?

Don't forget to show Mrs Caden & Mrs Smith what you've made this week!

Storytime:

The Grumpy Tree

This is a perfect story with lots of shapes in to consolidate our learning about 2D shapes – see if you can spot them as you listen!

<https://www.youtube.com/watch?v=AP6ql2P1CCQ>

Don't forget to look for Mrs Suter's storytime within our Home School learning for more stories !
