**Monday 15th June**

Good Morning Boys and Girls! Hope you've had a lovely weekend with your family?

What day of the week is it today? Sing our 'Days of the week song'

What is the weather like today? Which weather do you like? Mrs Caden doesn't like rain!

Do you know which season it is changing to this week?

**Today's rhyme:**

**Drip Drop Rain**

We know this song now really well in preschool but let's try it again and make sure we do the actions to match too!

We've met Aunty Mabel and Pippin before but today she gets quite wet from the rain at her house. There are some more rainy songs to sing and join in with too. Just like Mrs Caden, she doesn't like the rain either. Do you like rainy weather and if so, why? The Sweet Pea plants like the rain though!

Watch the like below to find out more about the rain:

### **Dough Disco:**

It seems a while since we practiced this to help our finger muscles! Take your ball of playdough in the palm of your hand and roll it to soften and warm it up. What 3d shape is it called, can you remember from last week's learning?

Preschool class previously liked: (played through twice will be sufficient time)

Here's a reminder if you or your grownup's forgotten. You could show your grownup how we like to do it. You may even want to pretend that you're the teacher and that they are in your class!

### **Writing:**

Let's practise writing our name and always holding our pencil correctly with your 'Froggy Fingers' too. If a grownup needs to write your name first for you to copy from, that's still good.

**Don't forget to show Mrs Caden and Mrs Smith as they love to see your super neat handwriting !**

### **Challenge!**

Can you practise writing your second name?

### **Storytime:**

#### **We Play on a Rainy Day**

A rainy day story just right for our singing and learning about rain today. Read, share and enjoy. Let's hope the weather is drier tomorrow
