Wednesday 24th June

Good Morning Boys and Girls!

What day of the week is it today? Sing our 'Days of the week song'

What season is it now?

I hope your enjoying our learning this week about going to the beach. Support your child to look at and discuss 'all about summer' within the supporting information section of the home learning.

Today's rhyme:

5 Little Monkeys

Start our day with Mrs Sellers and another of her songs – very similar to another preschool song we know from in class. This is a counting song and good practise at using fingers to match the number.

Challenge!

Can you try to write the numbers 1-5 on paper following the directions of the dot and the red arrows?

Remember your 'Froggy Fingers'.

Can you match objects from in your house to the numbers correctly?

Can you write the numbers 6-10 too?

Literacy:

Now that we know the letter 's' and 'a' sounds try writing it in lots of different ways!

A favourite in preschool is to practice writing letters on a tray of sand or rice! Its fun, tactile and easily erased if you make a mistake.

If you visit the beach, you could even try on the sand there – better still, have a go at writing your name as there will be lots of space!

Don't forget to show Mrs Caden and Mrs Smith your letters or name as we always love to see your good learning!

Storytime: **The Sand Castle that Lola Built**

Enjoy this story by Megan Maynor about a trip to the beach and building sand castles:

If you did go to the beach with your grownups, share a picture of your sandcastle building with Mrs Caden and Mrs Smith
