Friday 12th June

Good Morning Boys and Girls? Hope you're enjoying our learning about the seaside from "Where shall we go today?".

What day of the week is it today? Sing our 'Days of the week song'

What is the weather like today (still)?

Today's Rhyme:

Over The Deep Blue Sea

Mrs Caden found something interesting at a local beach this week. Bad weather, strong wind and rain unearthed a shipwreck at Seaton Carew!!! Do you think there may have been pirates and treasure? Why did it sink?

Maths:

Practise counting to 10 using the beach themed link below then carefully write your numbers to match. Always remember 'Froggy Fingers' and correct number formation by starting at the red dots when copying.

0 1 2 3 4 5

Challenge!

6 7 8 9 10

Can you count forward **and** backwards to 10?
Use your fingers to help.

Role Play:

Become A Pirate!

A-hoy there! Using the supporting information sheet in our Home Learning, what is your name if you pretend to be a pirate. You could use an empty paper towel roll to be your telescope to look for other pirates or treasure. Draw a map of an island (or a room at home) and ask a grown up to find the treasure you have hidden! Give them directions and practise your 'preposition' words such as ***above, below, on top, behind, in front of***. Make an eye patch and a bandana from a tea towel to make yourself look authentic as you talk with a pirate's 'growl'!! Enjoy your role play.

Don't forget to show or even a video for Mrs Caden and Mrs Smith of how you're having fun!

Storytime:

How I Became A Pirate

A perfect story for our preschool pirates! Read share and enjoy this story about how a little boy also became a pirate.

I hope you like it and have had fun pretending today. The pirate ship in this story is a little bit like the tall ship in Mrs Caden's video last week!
