What Is Father's Day?

Father's Day is a celebration of the dads, grandads and father figures that are important to us.

It is a way of saying thank you for everything they do for us.

Often, children will give their fathers a card and a gift.

When Is Father's Day?

Father's Day is always on a Sunday.

Every year it is celebrated on the third Sunday in June.

Father's Day Today

Today, Father's Day is celebrated all around the world.

If you don't have a dad you might have a grandad, uncle or special friend you could say thank you to.

Father's Day Gifts

Many daddies just want to have a cuddle and be told how much they are loved.

You could make a card and write a list of all the things you love about your dad.

Why not ask a grown-up to help you make your dad a cup of tea and his favorite breakfast in bed on Father's Day?
