Maths

Can you be a code breaker? Find the answers to the calculations, and use the answer to crack the code. Can you work out the summer-themed words?

English

The snail wants to see more of the world, and heads off on a new adventure. Take on the role of the snail, and choose a place you would like to travel to. It can be anywhere you like. Write a postcard to tell a friend where you are and what you are doing. You could make your paper like a picture postcard, with a picture of where you are on one side, and your writing on the other side.

Topic work

Complete and decorate the 'I am an amazing person!' worksheet (or draw your own). Don't forget to draw yourself in the balloon basket. Stick it up somewhere in your house to remind yourself how amazing you are!
