

## Shotton Hall Primary School

Working together to

**S H I N E**

**Successful, Happy, Inspired and Nurtured towards Excellence**

Hi Class 5. I hope your learning has gone well this week. If you fancy learning some hip-hop moves, you could have a go at this challenge from imoves <https://imoves.com/home-learning/1250>

Have a good weekend,

Miss Elwick

### **Maths**

Today's work practises counting money as a mixture of notes and coins. Try the fluency, reasoning and mastery style questions uploaded on our website.

### **English**

Read or watch the story of 'The snail and the whale' again. Draw a story map to show the snail's amazing journey. Add labels to your map using adjectives to describe the places visited. For example: towering icebergs, shadowy caves.

### **Topic work – History – Seasides**

Read the information sheets to collect ideas about what happened on seaside holidays in the past. Record this information on a mindmap (see worksheet). Could you do your own research to find more facts?
