## English - The Lost Happy Endings

In my video today I will read to the end of the story. Today's task is to write a review of it. Your review will tell someone what the story is about, what you think of the story, if you liked it and would you recommend it to someone else.

## Foundations Subject – Computing

Earlier this year we looked at word processing and I would like you to have a try of this at home. It may be that you do not have a word processing programme (like word) that you can use, and if that is the case don't worry you can miss this task out.

You have been learning some word processing skills. One of the skills learnt is to use the keyboard shortcuts which use the <ctrl> (control) key.

These are the ones you have learnt:

<ctrl> + X cut

<ctrl> + C copy

<ctrl> + V paste

<ctrl> + A select all

<ctrl> + S save

<ctrl> + Z undo

<ctrl> + Y redo

<ctrl> + B bold

<ctrl> + I italics

<ctrl> + U underline

Here is a suggested task that will help reinforce this learning.

1. Choose a favourite family recipe. Help to cook it if you can.
2. Type the recipe using the skills you have learnt, and use the keyboard shortcuts where you can. Remember to use bullet points or numbering for the instructions.
