Friday 17<sup>th</sup> July

## Maths - Revision

1) How much money is there altogether?

2) Divide 52 by 4

3) Multiply 22 by 4

4) Find the total of 572 and 196

## English and PSHE

As today is the last day for home learning before the summer holidays, the English task is both English and PSHE.

Today I would like you to write a letter to your future self, which I would like you to keep and open at the end of year 4. In your letter I would like you to tell your future self what life has been like during lockdown.

Think about, how you felt at the start of lockdown and how you feel as it is coming to an end. What kind of things did you do at home? Were your grown up's at home with your or were they going to work? Did you clap for carers each week? Did you put a rainbow in your windows? Did you watch the government news briefings or talk to your grown up's about the news?

## Foundation Subject – PSHE

It is nearly the summer holidays!! I would like you to make a list of things you would like to do with your family over the summer. This does not have to be big days out, but little things, such as making a daisy chain, decorating a path or drive with chalk, beating your

score at keepy up's or having a picnic with your family.

Talk to your families about your list and see how many you can do over the summer. Please share your photos to Class Dojo and we will look at these as a whole class when we are back in September.

Stay Safe Class 6 – can't wait to see you again!!
