

Monday 13th July

Maths – Revision

As this is our last week of home learning the maths this week will be a revision of topics we covered earlier this year.

Flashback 4

- 1) Multiply 23 by 3
- 2) Compare using $<$, $>$ or $=$
 8×4 8×5
- 3) Calculate 7×8
- 4) Subtract 220 from 740

English - Verbs

A verb is an action or doing word. I have uploaded a powerpoint up as a reminder in case you can't remember. Choose 3-4 pages from Lost Happy Endings and find as many verbs as you can on those pages.

Challenge: How many of the other word types can you find, are there any adjectives? Any nouns? Any adverbs?

Foundations Subject – Design Technology – Bread

To finish our home learning topic of bread I would like you to have a go at making some bread! You will need to find a recipe and follow the instructions very carefully. Please share your photos through class dojo!
