## Maths

This week we are going to be thinking about money.

I would like you to look at the different coins (real ones would be super, but if not, you can use the photo below).

I would like you to practise recognising the coins until you are super confident. Look at the different shapes and colours of the coins to help you distinguish between them. Some of the coins even have how much they are worth print on them, can you see any?

Practical activity -

I would like you to make a shop using toys/objects from around your home. Ask a grown up to help you write price tags for the different objects (they need to be whole values of coins ie, 1p, 2p, 5p, 10p, 20p, 50p, £1, £2, as this is solely to practise recognising coins).

Take turns with your adult being the shop keeper and being the customer. You will need to use the shop again this week, so if you can, keep the tags on your items.

## English

A list can be a really useful way of writing things down. When you make a list, each new item is written under the last. When might you want to use a list?

Today you are going to make a shopping list! You are going to write a list of food that you would eat at a street party. What sort of food would you have at a street part?

For example, at my party I would like:

My shopping list
Pizza
Sausage rolls
Cup cakes
Crisps
Chocolate biscuits

In our resource section is a shopping list template that you can print out and use to write your list. You could also write your shopping list onto a piece of plain paper.

As an extra challenge, when you have finished your list, try to put your items into alphabetical order.

**Foundation Subject – History**

Over the past few weeks, we have talked a lot about coronations. Today we are going to be thinking about Queen Elizabeth II’s coronation. How do you think people in the North East celebrated the Queen’s coronation?

This is a photo of a celebration that took place in Gateshead. Take a close look, what do you think is happening?

The following clip is a video from 1953 and it shows a celebration in Gateshead. The clip has no sound so it might be hard to know what is happening. You may want to ask your adult at home to help you read along with the notes that are under the video.

<http://www.yorkshirefilmarchive.com/film/coronation-celebrations-gateshead>

The next clip is from a coronation day parade in Newcastle.

<https://player.bfi.org.uk/free/film/watch-coronation-day-parade-in-newcastle-trams-and-trolleybuses-1945-online>

Now you have seen a little of what it was like to celebrate Queen Elizabeth II's coronation, I would like you to think about the following questions.

1. How do you think the people celebrating felt?
2. What does the way they were celebrating tell you about Queen Elizabeth II? Did they like her?
3. Do you think their celebration looks fun- why/why not?
4. Would you like to be part of a coronation celebration?
