**Friday 3rd July**

Good Morning Boys and Girls!

What day of the week is it today? Sing our 'Days of the week song' Can you think of other words that start with the same 'f' sound?

What is the weather like today?

**Today's rhymes:**

**Slippery Fish & Animals In The Ocean**

Try these action songs to sing along to using hands and body to mimic the sea creatures' movements.

**Dough Disco:**

Have some more fun at the dough disco by practising fine motor skills which then aid pencil grip and cutting! Using a small ball of playdough in the palm of your hand and music with a good beat although preschool class previously liked: (played through twice will be sufficient time)

This is a reminder, if needed, although your child may want to pretend that they're the teacher and that you will be in their class!

**Art:**

Now that you've flexed your fingers at the 'Dough Disco', let's practise some drawing! Using 'Froggy Fingers' to hold your pencil then use the 6 step guide underneath to draw your own fish. Can you draw more – smaller – or bigger, to swim together in your own ocean.

### How to draw a fish

**Storytime:**

**Ocean Life**

A lovely story by Jill Macdonald to consolidate our learning this week. Within the story, focus on and talk about in particular, the crabs and shells just like Mrs Caden found at the beach in the rock pools on this week's Monday video.
