Additional Funding

Shotton Hall Primary School is committed to raising the profile of PE and sports with all our pupils from the youngest age. We believe that engagement of all pupils in regular physical activity will kick-start a lifelong plan to maintain a healthy and active lifestyle.

We use sporting activity as a tool for whole school improvement to impact on wider outcomes of attendance, behaviour and social and emotional well-being. We use it to teach self-confidence, decision making, pride, determination, resilience, team spirit and camaraderie amongst our pupils.

We are passionate that our staff will teach with increased confidence, knowledge and skills in teaching PE and sport. We want all our children to have a broad experience of a range of sports and activities and increase participation in competitive sport.

To support this belief we make a significant contribution from the school budget towards PE and sports development.
