Shotton Hall Primary School is committed to raising the profile of PESSPA across the whole school. We believe that engagement of all pupils in regular physical activity will kick-start a lifelong plan to maintain a healthy and active lifestyle.

We use sporting activity as a tool for whole school improvement to impact on wider outcomes of attendance, behaviour and social and emotional well-being. We use it to teach self-confidence, decision making, pride, determination, resilience, team spirit and camaraderie amongst our pupils.

We are passionate and committed to ensuring that all pupils receive high quality PE lessons, helping them to achieve their potential. We aim to provide a broad range of sports and activities to ensure that all our children have the opportunity to experience the benefits that sport can provide.

To support this belief we make a significant contribution from the school budget towards PE and sports development.
